## FESTIVAL BEERS & CIDERS

This year's festival is bigger and better than ever! We've selected a range of beers and ciders to suit all tastes from brewers around the UK, including a few low alcohol options. In addition to the festival range listed below we'll have our full range of draught and bottled beers (including Brew Dog varieties), ciders, wines, spirits and soft drinks available at our bar. Cheers.

## CASK & KEG ALES

We'll be launching this new and exclusive fundraising beer at the festival on Saturday 24 August.

### HOT TROPIC

Leatherbritches Brewery, Ashby de la Zouch  
ABV 4.2%

A pale, golden ale with an explosion of tropical hoppiness. Cascade, Crystal, Rakau, Simcoe and Perle hops produce an intensely tropical aroma and taste. Malts such as Marris Otter, Pale Ale and a hint of Cara malt give the beer a smooth character with grapefruit, tangerine, passionfruit, pine needles, orange and cedar notes.

### SHORT & CURLY

Slaughterhouse Brewery, Warwick

A golden brew, made with the addition of lager and Vienna malt to create a beautiful warm gold hue. Slightly sweet taste, balanced off with British Olicana and Admiral hops.

### ARCHER

Lincoln Green Brewery, Nottingham

An American pale ale packed with US Chinook and Citra<sup>T</sup> varieties, resulting in a hoppy nose and citrus palate.

### BRAMPTON BEST

### BLACK SABBATH

Brunswick Brewery, Derbyshire

5.6%

A fruity mango IPA that's light and fresh with tropical flavours. Brewed with Hercules, Citra and Simcoe varieties, it's silky smooth with lingering hoppy bitterness.
