GIVING OPPORTUNITIES**

PHOENIX IS LEICESTER'S INDEPENDENT CINEMA AND ART CENTRE

Phoenix 2020 is our ambitious project that will see us double in size. We invite you to be part of it.

FILM AND ART ENRICH US ALL

At Phoenix, we believe film and art have the power to enrich all our lives.

Watching a movie or visiting a gallery can both inspire and entertain, offering us fresh perspectives on our lives, and those we share our world with. They bring us together, make us happier, healthier and better equipped to contribute to society.

BRINGING THE BEST TO LEICESTER

As an independent charity, we're proud to bring to Leicester some of the best film and art the world has to offer, to push creative boundaries and celebrate our city.

Each year, with support from our funders at the British Film Institute, we screen around 350 different films from more than 30 countries.

We're one of Arts Council England's selected 'National Portfolio Organisations'. Our digital art programme explores some of the most challenging aspects of modern life where art, science and technology intersect.

OUR 2020 VISION

Having moved to Leicester's Cultural Quarter in 2009, Phoenix has become one of the city's most popular cultural venues – the centre of a thriving creative community in one of Europe's most diverse cities.

In just 10 years, we more than doubled our annual audience to 220,000 visitors. But with just two cinema screens and a small gallery, our future growth was limited by venue capacity.

PHOENIX 2020 IS OUR PROJECT TO EXPAND AND BECOME A FOUR SCREEN INDEPENDENT CINEMA AND DIGITAL ART CENTRE

Within five years, we expect to double our audience once again and reach out to many more people who may currently miss out on our work.

Construction of our extension is now underway and we expect the build to take 12-15 months. We aim to unveil our new facilities in early 2023, but we still need to raise £210,000 to meet the costs of final fit-out.

WE ARE LOOKING FOR CORPORATE SPONSORS AND INDIVIDUALS WHO WOULD LIKE TO HELP US MAKE IT HAPPEN

HELP US BUILD ONE OF THE UK'S BEST CINEMA AND ART VENUES

...WITH YOUR NAME ON IT

Phoenix 2020 is our project to extend our current venue and double the number of people we reach.

Two new cinema screens

giving us a total of four auditoria to screen a wider range of films more frequently throughout the day

A new first floor bar and roof terrace

providing a special space for cinema and arts events and relaxing in the Cultural Quarter

A superb new digital art gallery

double the size of our existing space, in the heart of the expanded building – enabling us to bring larger scale world-class artwork to the city

A bigger Café Bar

doubling seating capacity of our existing ground floor café, with a larger kitchen

Improved spaces for learning and creativity

enabling us to expand our education and skills programmes

PARTNERSHIP OPPORTUNITIES

With your support, we'll make Phoenix 2020 a reality.

We are keen to talk to businesses and individuals who can support our charitable ambitions – and in doing so raise their profile and engagement with our public visitors and stakeholders.

You will be in good company – we already have support from stakeholders including Leicester City Council, De Montfort University, Arts Council England, the British Film Institute, the European Regional Development Fund (ERDF), and major trusts and foundations.

We've raised £8.5M so far, and construction is now underway. But we still need to raise £210,000 to complete the project and final fit-out, so your contribution will really make a difference.

CORPORATE SUPPORT

We want to work closely with a limited number of corporate sponsors to achieve mutual business growth. To help you grow your business, we will:

- Associate your business with Phoenix – a much-loved independent brand which celebrates ambition and excellence in film and art.
- Raise your profile and build sustained awareness with our customers – the majority of whom visit Phoenix monthly.
- Raise your visibility around Phoenix 2020, one of the most significant investments in our region's arts and culture in recent years.
- Position your organisation alongside our local and national stakeholders.
- Host events and deliver benefits to your staff, partners and customers.
- Align your products, services and social responsibility aims to selected themes in our cinema and digital arts programme.

INDIVIDUAL SUPPORT

We would love to gain the support of individuals who share our belief in the power of film and art to enrich lives.

Film and digital art are two of the most universally accessible art forms: cinema audiences continue to grow nationally – despite the rise in streaming services – and the Internet is transforming how art is created and consumed.

As a charity, our cultural programme provides a 'window on the world' – engaging a wide range of interests from entertainment, through cultural storytelling, the exploration of heritage, to many of the big issues facing society.

With Phoenix 2020 we will develop our programme further and reach more people, offering them more opportunities to watch, to learn about and – if they wish – make great film and art.

We would be delighted to discuss how you can make a difference through a charitable gift or donation. We offer a number of high-profile options to recognise the generosity of donors.

IN RETURN FOR YOUR SUPPORT, WE OFFER A RANGE OF VALUABLE BENEFITS OUTLINED IN THE THREE SPONSORSHIP PACKAGES OVERLEAF
